Catholic Schools - "One Family, One Hope In Christ"

Principal's Message:

We have been so fortunate to have had such a great start to our school year here at Sacred Heart School. We have many new and exciting things happening for our students at the school, and we are so appreciative of everyone's support, especially with our new music and band program!

We have much to be thankful for here at Sacred Heart and in the spirit of thanksgiving, it is important that we acknowledge how thankful we are to have such an amazing and supportive school community. As we still work through these unprecedented times, we are so lucky to work with people who continually demonstrate compassion and appreciation towards all of our staff. Wishing you all a wonderful month of October, with many great activities to come for our families and students!

Thank you for your continued support.

Warmest regards,

Mr. MacLean

It is with great pride that we acknowledge our work on the unceded, ancestral lands of the Lheidli T'enneh First Nations. We understand that this land was very important for Indigenous people who lived on it before us; that this land is still important for Indigenous people today. We are grateful that it is on this land that we support and work for our students.

TUITION AND SUPPLY FEE PAYMENTS

Many thanks to those who have paid the \$75 supply fee, as well as the September and October tuition. We appreciate your attention to these necessary details. Arrangements can still be made to have automatic debit/credit payments set up; please contact the office for the forms.

ABSENTEE NOTES

If your child is going to be absent from school, it is imperative that you excuse the absence with the office. This is crucial to the funding we receive through the Ministry of Education. Please remember to email the school before 8:30am when your child is going to be absent—otherwise we will be phoning contact numbers on file to ensure their safety.

An email sent to sacredheart@cispg.ca that will cover the phone call and note!

ELECTRONICS

Electronics are not allowed on school property. (e.g.: iPods, DSI games, etc.). If a phone or other device is brought to school for after-school safety, it is your child's responsibility to hand it into the classroom teacher. Electronics that are not turned in will be taken away and will have to be collected from the school office. As well, we ask that no toys (stuffedies, Lego, action figures, trading cards or alike) be allowed to leave the safety of your home. Lost or broken items are difficult for everyone; special treasures need to be left at home. Thank you for your understanding in this matter.

HOMEWORK DURING ABSENCES

If your child(ren) will be missing school for more than one consecutive day, missed work will be prepared for pickup 24 hours after the initial advice of absence is received. This will allow teachers time to properly prepare materials for pickup.

TERRY FOX

Three cheers for our Sacred Heart families for having fundraised over \$20,000 in the last ten years for cancer research! All fundraising will be done online this year. Please check out Mr. Durau's [website](#) for information on how to continue to support this very worth cause.
