Catholic Schools - "Living, Celebrating, and Proclaiming Our Faith"

Principal's Message

February is always a special month in our school community, and this year is no exception. We are blessed to begin the month by celebrating **Catholic Schools Week**—a beautiful reminder of the gift it is to openly live, learn, and grow in our faith together. In a world that can often feel rushed and divided, our school remains a place where Christ is at the center, where children are known by name, and where community truly matters.

This month, we reflect intentionally on the Catholic Social Teaching of **Call to Family and Community Participation**. This teaching reminds us that we are not meant to walk alone. We are created for relationship—with God and with one another. At Sacred Heart, this comes to life in the way we support each other, show up for one another, and work together to ensure every child feels safe, valued, and included as part of our Panther Family.

Love is not just a word we use in February—it is an action we practice every day. It is seen in kindness on the playground, in patience in the classroom, in respectful words, and in the courage to stand up when something is not right. As a school, we continue to be deeply committed to fostering a culture where **anti-bullying is not just a policy, but a shared responsibility**. Each student plays a role in building a community where kindness is the norm, differences are celebrated, and everyone belongs.

Thank you for the ways you model this teaching at home and for the partnership you share with us. When school and family work together, our children thrive not only academically, but socially, emotionally, and spiritually.

It is a gift to lead and serve in a place where faith, family, and community are so beautifully intertwined. I look forward to celebrating Catholic Schools Week and all that February will bring for our students and families.

Blessings from,

Mrs. Kyra Sienaert
 Principal

We 'Can' Do It!

We are invited to prepare and share with the needy. As an annual school initiative, we are inviting a donation of a can of food or **non-perishable** item of your choice for the **St. Vincent de Paul Drop-in-Centre** on Second Avenue. Items in support of programs at the S.V.P. Centre, can be sent to school during the week of **February 23-27, 2026** and will be picked up by the **Society of St. Vincent de Paul** on Monday, March 2nd.

Thank you all for helping the Society of St. Vincent de Paul to assist the less well-off in our community.

It is with great pride that we acknowledge our work on the unceded, ancestral lands of the Lheidli T'enneh First Nations. We understand that this land was very important for indigenous people who lived on it before us; that this land is still important for indigenous people today. We are grateful that it is on this land that we support and work for our students.

Charitable Donation Receipts: Charitable Donation Receipts for tuition payments made in 2025 were sent by email on January 20, 2026.

SEPTEMBER 2026 KINDERGARTEN REGISTRATION

Registration for our full-day Kindergarten class is open. If your child was born in 2021 (turning five before December 31, 2026), we would love to consider them for enrollment in our Kindergarten class. We also have spaces available in other grades—Please spread the word to family and friends about the awesome opportunity for students to learn at Sacred Heart School.

Absentee Notes

Please send an email first thing in the morning (sacredheart@cispg.ca) to let the office know your child will be away. This will serve as written notice for the absence; no need to follow up! Thank you in advance for your prompt attention to Absentee Notes! Also, please remember that if your child is late arriving to school they must sign in at the school office to ensure that we keep accurate attendance records.

*Sincere thanks to all those that will make our Catholic Education Week so wonderful:
Our PSG for the all school and Staff Appreciation Lunches,
SHS friends and families for all of your kindness and generosity throughout the week!*

HOMEWORK DURING ABSENCES

If your child(ren) will be missing school for more than one day, missed work will be prepared for pickup 24 hours after the initial advice of absence is received. This will allow teachers time to properly prepare materials for pickup.
